R D E B A M incredibili cupiditate, aliquam vtego quoque
a te gratiam inire, ad cuius patrocinium optimus quis-
que receptum habet. Sed quia mihi arte molliorem aditus
non inueniebam; cum ecce mihi in mentem veniunt hæc
Francisci Bianciardi præstantissimi Musici monumenta, quæ
publicam Lucem alicuius vici Principis, quo magis illustra-
rentur postulare videbantur. Hanc ego adeo meam ratus
opportunitatem parandi mihi viam ad amplitudinem istam
ante quam in tuum me conspectum darem volui hoc munu-
culum allegare. Haud ingratum fore putavi, tum quia
hæc benignitatis est nihil eorum, quæ summa testificatione
voluntatis offeruntur aspernari, tum quod hi artis Musicae

moduli istam tuorum motum concinnitatem, Musicosq; animi motus ad viuum ex-
primere videantur.
